

**ANNUAL REPORT**  
**2023-2024**

## President's Message

*"The aim of education is to promote the development of human beings in all their dimensions — physical, mental, emotional, social and spiritual."*

*— Dr. Sarvepalli Radhakrishnan*

The academic year 2023-24 has been a defining period for the Charutar Vidya Mandal (CVM) University, a year that has underscored our unwavering commitment to delivering world-class education and fostering academic innovation. A key highlight was our first Convocation Ceremony in December 2023, where we proudly celebrated the academic achievements of our inaugural cohort of approximately 1,200 undergraduate, postgraduate, and Ph.D. students. These remarkable individuals, equipped with critical thinking and a deep appreciation for diversity, are poised to contribute meaningfully to society and address the complex challenges of our time. During this milestone event, CVMU conferred the **Honorary Degree of Doctor of Science** upon **Padma Bhushan** and **Padma Vibhushan Shri A. M. Naik**, Chairman Emeritus of L&T Ltd., whose life and achievements serve as an inspiration for all of us.

In today's fast-evolving world, research and innovation are not just desirable but essential for progress and growth, particularly in higher education. As a center of knowledge and a hub for academic excellence, CVMU has a profound responsibility to cultivate an environment where research and innovation can thrive. To reinforce this core value, we have forged strategic partnerships through multiple MoUs with leading global institutions and industries. These collaborations with esteemed organizations like **Yunnan Minzu University (China)**, **University of Hyogo (Japan)**, **Indian Space Research Organization (ISRO)**, **Asian American Hotel Owners Association (USA)**, **Freedom Health Club, Kentucky, USA**, and **Membership Hotel Organization (USA)** mark a significant leap forward, positioning CVMU as a key global player in the academic and research sectors. These partnerships will not only enhance our students' learning experiences but also provide them with invaluable opportunities to evolve into future world leaders.

While we elevate our standards to align with global best practices, we remain firmly rooted in our core values. The CVM University, established in the land of Sardar Vallabhbhai Patel, remains committed to contributing to nation-building by nurturing responsible, ethical, and self-actualized citizens. As we embark on another promising year, we pledge to continually upgrade our knowledge, broaden our resources to reach all—including marginalized communities—adapt to the changing global landscape, and equip our students to be tomorrow's leaders.

Together, with the support of our dedicated stakeholders, we will continue to cultivate a legacy of excellence, innovation, and social impact, ensuring that CVMU remains a beacon of progress and a catalyst for positive change.

---

- **Er. Shri. Bhikhubhai Patel**  
Hon'ble President, CVM University

## Preface

***"The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education."***

**— Martin Luther King Jr.**

**"An investment in knowledge pays the best interest." — Benjamin Franklin**

Every journey begins with a vision, and every milestone reinforces its brilliance. At the Charutar Vidya Mandal (CVM) University, the Academic Year 2023–24 has been an extraordinary chapter of growth, innovation, and accomplishment, reflecting our unwavering commitment to excellence in education, research, community engagement and global collaboration.

The year 2023-24 marked a historic milestone for CVMU with the grand celebration of our First Convocation on December 19, 2023, where we honoured over 1,100 graduates, celebrating their academic achievements and the beginning of their professional journeys. CVMU has also forged new international partnerships by signing 31 Memorandums of Understanding (MoUs), including with prestigious institutions such as Yunnan Minzu University-China, University of Hyogo-Japan, and ISRO. These partnerships reflect our dedication to strengthening the academia in various key sectors fostering mutual growth on a global scale.

Our flagship event, Gyanotsav 2023-24, held from January 2-6, 2024, attracted an inspiring 50,000 participants, reinforcing our role in fostering a culture of knowledge and learning in Gujarat. The university also marked a momentous occasion with the inaugural CVMU Model United Nations 2024, bringing together 100 students from seven prominent universities across Gujarat to engage in global diplomacy and international relations.

The CVMU Hackathon 2.0, a 36-hour coding marathon, witnessed the participation of 300 students from across the nation, demonstrating the creativity, teamwork, and innovation that define our student community. We also celebrated the remarkable achievements of our female students through the CVMU Urja-Puraskaar Youth Excellence Awards, which honoured nine inspiring women for their contributions in leadership, social change, innovation, and more.

CVMU's commitment to research and innovation is evident in the 31 ongoing research projects valued at Rs. 2.59 crore, with seven major projects successfully concluded this year. Our faculty members have also shared their expertise through 243 expert sessions across India and contributed to 253 research papers published in internationally recognized journals. Additionally, our extensive outreach activities, including 251 NSS, NCC, and extension programs, 186 industrial visits, and more than 259 curricular and co-curricular events, reflect our dedication to holistic student development.

This report encapsulates the spirit of growth, achievement, and global engagement that defines CVMU in the academic year 2023-24. We hope that this journey through our achievements inspires you and provides valuable insights into the transformative impact of CVMU on students, faculty, and the global academic community. We thank all our stakeholders—students, faculty, staff, and partners—for their continued support and contribution in making this an extraordinary year for CVMU.

## The Charutar Vidya Mandal – A Legacy of Vision, Determination and Educational Excellence

Inspired by one of India's greatest leaders, the late Sardar Vallabhbhai Patel, Shri Bhaikaka and Shri Bhikabhai Saheb envisioned a rural resurgence for post-independent India through the transformative power of education. This vision gave rise to Charutar Vidya Mandal (CVM), established in 1945 as a charitable trust with the primary goal of fostering rural development and social awakening through education.

The idea to create an educational township, initially conceived by Shri Bhaikaka and Shri Bhikabhai Saheb on March 3, 1945, laid the foundation for what would later become an iconic academic hub. This township, originally named Vidyanagar, was later renamed Vallabh Vidyanagar in tribute to the great son of the soil, Sardar Vallabhbhai Patel. It was India's first planned university township, designed to be a comprehensive center for higher education, featuring schools, colleges across major disciplines, hostels, faculty residences, playgrounds, and parks. This visionary project was realized in full, creating an environment that not only nurtured academic excellence but also enriched the cultural and creative lives of its residents. The vibrant township became a true melting pot of diverse cultures and has since provided generations of students with cherished memories of their campus life.

What sets Charutar Vidya Mandal apart is its commitment to using quality education as a catalyst for social transformation. The founders undertook a monumental task in establishing an institution with such a far-reaching impact. Their philanthropic spirit and unwavering dedication turned this vision into reality. Later, the leadership of Late Dr. H. M. Patel and Late Dr. C.L. Patel further strengthened the foundation laid by the founders. Under their leadership and supervision, CVM established various self-financed educational institutions focused on cutting-edge fields such as Technology, Engineering, Science, Commerce, and Management, offering innovative courses in Mechatronics, Automobile Engineering, Biotechnology, Food Processing, E-Commerce, Valuation, and more.

Today, Charutar Vidya Mandal along with CVM University, leads 27 other institutions which comprise schools, colleges and research centres and continues to empower young graduates to navigate an ever-evolving world, equipping them with the skills and confidence to thrive in the 21st century. The institution's focus on building competitive advantages and adapting to the changing landscape of education ensures that it remains a leader in shaping the future of India's youth.

## The Charutar Vidya Mandal (CVM) University – Empowering Future Leaders

The Charutar Vidya Mandal (CVM) University, established in 2019 and located in Vallabh Vidyanagar, Gujarat, is one of the premier private universities in the state. It is founded on a legacy dating back to 1945, under the visionary leadership of the esteemed Charutar Vidya Mandal (CVM) trust. Under the CVM Management, the university was officially established by the Government of Gujarat under the Gujarat Act No. 8 of 2009 and Section 22 of UGC Act 1956. With more than 75 years of history and an alumni network exceeding 1 million, the CVM University has been a cornerstone of academic excellence and intellectual development for generations.

The University's vision is to nurture future generations by promoting innovation, forward-thinking, and a commitment to building a brighter tomorrow. Aligned with its motto "ज्ञान-विज्ञान-प्रज्ञान" (Knowledge –

**Science – Wisdom**), the university is expanding its academic offerings to meet global demands and societal challenges, while strengthening its research and innovation framework.

By the end of the academic year 2023-24, the CVM University offers **137+ programmes** spanning undergraduate to doctoral levels, across **20 constituent colleges** and institutes. With over **500 dedicated faculty** members and a student body of approximately \_\_\_\_\_, the university provides a comprehensive education in diverse fields such as Technology & Engineering, Architecture, Pharmacy, Pure and Applied Sciences, Computer Science, Commerce and Management, Law, Humanities, Social Sciences, Fine Arts, Ayurveda, and Nursing, among others.

Spread over a vast **700-acre campus** with two vibrant locations, the CVM University boasts state-of-the-art infrastructure that encourages creativity, research, and ethical values. The university aims to sculpt students into 'Self-Actualized Citizens' who not only excel academically but also contribute meaningfully to society.

#### **Key Highlights of CVM University:**

- Eight faculties providing academic flexibility
- Holistic approach to student development
- Strong focus on employability and entrepreneurship
- Extensive and influential alumni network
- Emphasis on research, life skills, and critical thinking
- Interactive and student-centric learning environment
- A diverse and experienced teaching faculty
- Career counselling sessions with industry leaders and senior corporate personnel
- International Collaborations with industries, corporates, and reputed organizations
- Technology-enabled campus for enhanced learning
- Outcome-based education designed to meet global standards

At the CVM University, the goal is not merely to provide a roadmap for success but to foster an ecosystem of sustained excellence in education, empowering students to meet the challenges of the future with confidence and competence.

## Major Events of CVMU in 2023-24

### The 1st Convocation of Charutar Vidya Mandal (CVM) University: A Milestone in Academic Excellence

The 1st Convocation of Charutar Vidya Mandal (CVM) University celebrated a historic milestone in the University's journey on 19<sup>th</sup> December 2023, honouring the accomplishments of **over 1100 graduates**. The grand ceremony was graced by the esteemed presence of Shri Pankaj R. Patel, Chairman of Zydus Lifesciences Ltd. and Chairperson of the IIM Ahmedabad Board of Governance, who served as the Chief Guest for the occasion.

The event began with a heartwarming Pre-Convocation Gold Medallists' Interaction on the evening of 18th December, where gold medallists had an enriching conversation with the Hon. President, Er. Shri Bhikubhai Patel, University Provost Dr. Himansu Soni, and In-charge Registrar Ms. Agneshwari Adhiya, Deans of various faculties, and other distinguished dignitaries. This informal interaction served as a platform to exchange ideas and insights, setting a positive tone for the formal proceedings.

The Convocation ceremony commenced with a Convocation Procession from the university's main gate to Shastri Maidan followed by traditional rituals including a prayer, lamp lighting by the dignitaries, and the University song. The Hon. President declared the 1st Convocation officially open, marking a significant event in the University's history. A total of 1394 students were eligible for graduation, with 1266 registering for the event—146 in absentia and 1120 attending in person. On the day of the Convocation, 870 degrees were awarded, of which **58 were conferred with GOLD MEDALS** across 8 Faculties of the University. For those who could not attend, their degrees were sent through registered post.

A notable highlight of the event was the conferring of the **Honorary Degree of Doctor of Science** upon Padma Bhushan and Padma Vibhushan Shri A. M. Naik, Chairman Emeritus of L&T Ltd. Although unable to attend due to health reasons, Shri Naik conveyed his heartfelt gratitude and reflections through a video message, leaving an indelible mark on the occasion.

Shri Pankaj R. Patel's inspiring Convocation address encouraged graduates, particularly PhD and Gold Medal awardees, to use their skills to contribute positively to society and nation-building, leaving a lasting impression on all present. This grand convocation not only marked academic achievements but also solidified CVM University's commitment to shaping future leaders.

The 1st Convocation of CVM University was a resounding success, executed flawlessly and reflecting the institution's commitment to academic excellence and holistic development. It set the stage for future convocations, strengthening the foundation for a legacy of innovation, leadership, and social impact.

### The CVM University expands global reach with multiple MoUs for International Academic Collaboration in 2023-24

In a significant step towards global academic exchange, the CVM University (CVMU) has signed multiple Memorandums of Understanding (MoUs) with various renowned Academic and Research Organization in the Academic Year 2023-24. The recent MoU with **Yunnan Minzu University, China**, signed on May 27, 2024, aims to foster academic ties and promote mutual growth between the two esteemed institutions. Another groundbreaking tie-up with the **University of Hyogo, Japan**, on October 25, 2023 represents a strategic milestone of CVMU that enhances its international profile and demonstrates its commitment to academic excellence on a global scale.

The agreement focuses on a range of academic activities, including faculty and administrative exchanges, enhancement of degree programs, student exchange opportunities, collaborative research projects, and assistance in language and cultural education. This partnership offers CVMU as well as both institutions the chance to broaden their educational horizons by engaging in cross-cultural dialogue and strengthening the skills and expertise of their students and staff.

Also, CVMU signed a landmark MoU with **Indian Space Research Organization (ISRO)** on February 23, 2024 to propel Research and Training in cutting-edge Space Technologies. This strategic collaboration is set to revolutionize research and training opportunities in a wide range of high-tech fields, including geoinformatics, remote sensing, AI, space exploration, and more. The agreement marks a new chapter in the university's journey, opening doors for groundbreaking advancements in multiple disciplines. Under this MoU, CVMU and ISRO will work together on an array of research themes, such as Geoinformatics, Remote Sensing, NavIC (Navigation with Indian Constellation), Electro-Magneto Ceramics, Thin Film Flexible Solar Cells, Spacecraft Thermal Systems, Astrobiology, Electronics, Computer Science, and Artificial Intelligence.

This collaboration will offer CVMU students and faculty access to ISRO's world-class resources, research facilities, and expertise. It will provide a robust platform for conducting cutting-edge research and development that is critical for India's space ambitions and global technological advancements. Additionally, the MoU highlights a shared commitment to training and skill development, which will enable the university to provide its students with hands-on experience and exposure to some of the most advanced technologies being used in space exploration today.

Moving further, the strategic global partnerships with **Asian American Hotel Owners Association, USA** (signed on Jan 9, 2024), **Freedom Health Club, Kentucky USA** (Aug 11, 2023), **Membership Hotel Organization, USA** (Jan 9, 2024), **Jet Vocational Training Institute, Rajkot, Gujarat** (May 4, 2024) emphasized on strengthening the Academia in Hospitality and Aviation sectors. **The Accelerate Company, Ahmedabad** (signed on Sep 5, 2023) is going to provide its expertise in the fields of Animation & VFX, Digital Design, Fashion Design, Interior Design, Visual Communication Design, Product Design etc.

These collaborations will pave the way for expert exchanges, seminars, internships, and study tours, offering students real-world exposure and professional development in Hospitality and Design sectors. This collaboration will also facilitate workshops and symposia, featuring industry leaders who will share valuable insights into the latest trends and innovations shaping the global industries.

## The CVMU 'ज्ञानोत्सव'-2024: A Celebration of Knowledge and Creativity

The Charutar Vidya Mandal University grandly hosted its flagship event, **Gyanotsav 2023-24** between 2<sup>nd</sup> and 6<sup>th</sup> January 2024 to foster an unparalleled learning experience and ignite the passion for knowledge among Gujarat's brightest minds and knowledge enthusiasts. This mega event aims to provide a platform for students to showcase their subject specific and holistic skills, that highlights the university's unique teaching and learning pedagogies. The event also fosters a strong community engagement between the stakeholders.

This knowledge festival offered a wide range of activities, including exhibitions, competitions, workshops, career counselling, games, health science activities, Knowledge simulation activities like Model United Nations, cultural events and so on. The solar telescope arrangement for solar observation powered by

the Institute for Plasma Research became an added attraction to the event. These initiatives emphasized skill-building, practical application of theoretical knowledge, and social responsibility, aligning with **CVMU's motto: "Know with us, Grow with us."**

The event saw active participation from over 650 student volunteers and 275 faculty members, who worked tirelessly to organize and manage the various activities. With more than 50,000 visitors, including students, teachers from 150+ schools, parents, and community members from Anand and Kheda districts, the event was a resounding success in engaging the local community.

The event has been graced by the presence of honourable President of CVMU, Er. Shree Bhikubhai Patel, CVMU's Joint Secretary Shri. Mehul Patel, University Provost Dr. Himansu Soni, and In-charge Registrar Ms. Agneshwari Adhiya, notable dignitaries of CVM and CVMU, Principals of various colleges and schools.

The students of the Faculty of Science and Faculty of Medical Science, Faculty of Nursing, Faculty of Engineering & Technology, Faculty of Ayurvedic Medicine, Faculty of Commerce, Management & Law, Faculty of Education, Faculty of Arts, Faculty of Architecture and Planning and Faculty of Pharmaceutical Sciences made a pioneering contribution by displaying their Start-up ideas, Innovative Research Findings and other educational tools to enlighten the visitors.

A major highlight was the art exhibition curated by the CVM College of Fine Arts, which showcased a diverse collection of paintings and handcrafted accessories. The Health Science Zone, led by students and faculty from the Ayurveda and Nursing departments, focused on promoting wellness through Yoga, Pranayama, and Suryanamaskar. Under the Faculty of Arts, the Psych-Fest zone arranged by ILSASS targeted the stigmas and vulnerabilities of mental health through unique fun activities. Similarly, the fully-equipped Mass Comm Studio by JMC students was another major attraction, where school students and visitors could try live reporting and anchoring.

The food courts, innovative product stalls and Moot court by the Faculty of Commerce, Management and Law; Robotics, Mechatronics and other techno models by the Faculty of Engineering; Graphics and Fashion outlet by CVM School of Design, allowed students to explore various fields of study in an informal, fun setting. On the whole, Gyanotsav 2024 was an unforgettable celebration of knowledge, creativity, and community, successfully inspiring students and visitors alike while fostering a deeper connection to learning and personal growth.

## **Inauguration of the First Edition of CVMU Model United Nations 2024 by the CVMU**

The first edition of **CVMU Model United Nations (MUN) 2024** was organized by Institute of Language Studies and Applied Social Sciences (ILSASS), a Constituent College of the CVM University on 4<sup>th</sup> and 5<sup>th</sup> January 2024 under the flagship mega event of CVMU 'Gyanotsav 2023-24' at Shastri Maidan, Vallabh Vidyanagar, marking a milestone in CVM University's commitment to providing students with global perspectives and diplomatic skills. The inaugural event revved up with the esteemed presence of CVMU's Joint Secretary Shri. Mehul Patel, University Provost Dr. Himansu Soni, and In-charge Registrar Ms. Agneshwari Adhiya. They expressed their support and enthusiasm for this initiative aimed at fostering global awareness and critical thinking among students.

*Model United Nations* is a prestigious educational simulation that mirrors the processes and debates of the United Nations. During this two-day event, 100 students from seven prominent universities across Gujarat—including Gujarat Technological University, Sardar Patel University, MS University, Charotar University of Science and Technology (Charusat), Bhagwan Mahavir University in Surat, and CVM University itself—came together to represent 25 countries. Participants are provided with a dynamic

platform to explore international relations and deepen their understanding of Geo-politics and India's role in global affairs.

The first edition of CVMU-MUN provided a unique learning experience that allowed students to step into the shoes of diplomats and tackle real-world issues in a simulated setting. Dr. C.N. Archana, Principal - ILSASS and her team—including moderators Mr. Vasu Patel and Ms. Harshita Joshi (Founders IPMUN), Student Core-Committee Ved Patel, Sabri Seshadri, Piyush Gandhi, Khushi Mehta etc., worked diligently to create an authentic, thought-provoking experience.

*CVMU Model United Nations 2024* exemplified CVM University's mission to equip students with essential skills such as diplomacy, public speaking, negotiation, teamwork, analytical skills and leadership skills through debate and deliberation. The students of Birla Vishvakarma Mahavidyalaya (BVM), Vallabh Vidyanagar won First Prize for their terrific performance as delegates of United States of America. The successful launch of the CVMU MUN has set a strong foundation for future iterations of the event, promising to be a key feature in CVMU's educational offerings.

## The CVM University Hackathon 2.0: A Marathon of Innovation

The CVM University Hackathon 2.0, held on 4th and 5th March 2024 at the A.D. Patel Institute of Technology (ADIT), was a landmark event in the Academic Calendar of CVMU. This 36-hour non-stop coding and problem-solving competition celebrated innovation, teamwork, and technological advancement, reinforcing the University's commitment to fostering creativity and problem-solving skills among students.

The hackathon served as a platform for participants to showcase their technical expertise while collaboratively tackling real-world challenges. With problems identified across five broad categories, the event encouraged interdisciplinary collaboration, demonstrating that impactful solutions often emerge from diverse perspectives and skills.

Attracting over 300 students from 30 colleges across Gujarat, along with 40 school students in a special category, the event saw 185 team registrations. After a rigorous selection process, 69 teams reached the grand finale. Categories included engineering, life sciences, emerging technologies, and student innovations, highlighting the breadth of knowledge and creativity present.

Organized under the guidance of CVM University, with ADIT and MBIT (Madhuben and Bhanubhai Patel Institute of Technology) as coordinating institutes, the event was meticulously planned for seamless execution, from ideation to the final prize distribution. Each team was tasked with developing innovative solutions to specific problem statements within the 36-hour timeframe, testing not just their technical skills but also their endurance, time management, and teamwork.

The event buzzed with energy and creativity, as students brainstormed, coded, and debugged their way through the challenges. Mentors and industry experts provided continuous support, bridging the gap between academia and industry. This interaction fostered a vibrant learning environment for all participants. By the end of the competition, the projects presented were exceptional, showcasing innovative solutions and a deep understanding of the challenges faced. The CVM University Hackathon 2.0 truly exemplified the spirit of innovation and the power of collaborative problem-solving.

The hackathon featured an impressive total prize pool of ₹1,70,000 INR, with ₹40,000 INR allocated to winners in each of the five categories. Prize distribution was structured to reward excellence at all levels, which included ₹25,000 for a winner in addition to ₹10,000 and ₹5000 to the first and second runners-up, respectively. Beyond the monetary rewards, the event provided participants with an

invaluable experience, including exposure to cutting-edge technology, networking opportunities with peers and professionals, and the satisfaction of pushing the boundaries of their knowledge and creativity.

## Empowering Innovation: Best Business Idea Contest (BBIC) 2024 Inspires Future Entrepreneurs

The Best Business Idea Contest (BBIC), a pioneering initiative by SGM English Medium College of Commerce and Management (SEMCOM), a Constituent College of the CVM University has been igniting creativity and entrepreneurial spirit since 2003. Initially sponsored by ELECON, the contest has evolved over the years and, under the leadership of the CVM University, it has expanded from a college-level competition to a prestigious university-wide event.

For the year 2023-24, the event is successfully organized by SEMCOM on March 15<sup>th</sup> 2024 with the financial support and guidance of CVMU Innovation and Startup Cell (CVMUISC), where the BBIC continues to be a powerful platform for students to showcase their innovative business ideas. This year, the contest saw an impressive turnout of 13 teams from 8 CVMU colleges, who participated in a journey that began with workshops on everything from ideation to business pitch. Industry experts like Shri Sheel Dholakia (CEO, PinturaCoats Pvt Ltd, VUIA), Shri Bhavik Patel (CEO, DP Tradeking Pvt Ltd, Anand), Shri Ujesh Teraiya (Chartered Accountant, Teraiya Associates), and Shri Dhruvit Patel (Chartered Accountant, Dhruvit Patel & Company), Ms. Digna Patel (Entrepreneur, AmbiTree) and Shri Ashwin Parikh (Motivational Speaker) mentored participants, providing them with invaluable insights into transforming ideas into viable business ventures.

The event was graced by distinguished guests, including CVM Chairman Er. Shri Bhikhubhai Patel, CVMU President and Mentor Shri Mehul Patel, the Chief Guest, self-made entrepreneur and alumnus CA Bhavesh Chelani, Founder & MD, Santushti Shakes Pvt. Ltd., CVMUISC Convenor Dr. Vishal Singh, and the programme organiser Dr. Preethi Luhana, Principal – SEMCOM.

BBIC 2024 stood out for its unprecedented level of execution, with five teams presenting prototypes and three already operating businesses that had been in the market for over three months. After intense competition, the top ideas emerged: **Agastya Pharmaceutical** from G J Patel Ayurvedic College, **Swoosh – Ecowash** from SEMCOM, **Siri Saga Gluten Free Diet** from NVPAS, and **Haath Kaala** from SMAID. Each of the winning teams was awarded a cash prize of ₹15,000 by CVMU. The success of BBIC 2024 highlights CVM University's commitment to nurturing the entrepreneurial talent of tomorrow. As the event continues to grow, the vision of CVMU to foster innovation and commercialize ideas remains at the heart of this transformative competition.

## Encuesta 7.0 – The State-Level Mega Quizzing Carnival captivates with an impressive turnout of 1,200 students from across Gujarat

The 7th edition of Encuesta, the prestigious annual mega quizzing carnival hosted by ILSASS, a Constituent College of CVM University, took place on 16th February 2024. The event attracted over 1,200 enthusiastic students from esteemed schools and colleges across Gujarat, including Vadodara, Anand, Nadiad, Surat, Mahmedabad, Kapadwanj, and Ahmedabad. Known for blending knowledge with entertainment, Encuesta has evolved into a dynamic platform that celebrates intellect, teamwork, and collaboration. For the 2023-24 edition, Encuesta 7.0 partnered with IPMUN, a renowned soft skills training academy from Anand District, as its Knowledge Partner. The event was proudly sponsored by Loan Destination and Chalo America, two well-known Student visa support organizations from Anand.

Encuesta 7.0 featured four distinct quizzes designed to cater to various interests and age groups: the General Knowledge Quiz for both school and college students, and the Bollywood Quiz for film enthusiasts from both levels. Beyond competition, the event aimed to foster teamwork, build confidence, and showcase the intellectual talents of young minds. The renowned quizmasters, Mr. Vasu Patel (who conducted the GK Quiz) and Mr. Rochak Saxena (who led the Bollywood Quiz), elevated the experience with their dynamic presentations and stimulating quizzing skills. For the first time, MA(JMC) students of ILSASS, Mr. Nitin Rohit and Ms. Hetvi Mehta, organized the School-level Bollywood Quiz.

The event was graced by distinguished university officials, including CVM University Joint Secretary Shri Mehulbhai Patel, Provost Shri Dr. Himanshu Soni, Registrar (I/C) Shri Dr. Darshak Desai, Principal of ILSASS College Dr. C.N. Archana, and Vice President Dr. Najma Pathan. The success of Encuesta 7.0 was made possible by the dedicated efforts of the Student Council, led by CEO Ved Patel, Managing General Secretary Peeyush Gandhi, and their talented team.

### **Research Week 2023-24: Nurturing the Joy and Spirit of Creativity for Innovation and Invention**

The Research Week 2024 organized by the Research and Development (R&D) Cell, the CVM University from 8<sup>th</sup> to 11<sup>th</sup> January 2024, showcased the research of **172 Ph.D. scholars** through poster presentations. Under the theme **"Nurturing the Joy and Spirit of Creativity for Innovation and Invention,"** the event aimed to promote research excellence, academic collaboration, and societal impact across 30 disciplines spanning from the faculties such as Engineering and Technology, Sciences, Arts, Commerce, Management, Law, Education, and Pharmaceutical Sciences.

The week began with a keynote address by Shri R.S. Sharma from ISRO's Space Applications Centre, who highlighted the transformative potential of research in solving societal challenges, especially in Electrical and Electronics Engineering. He emphasized on the importance of the interdisciplinary approach in the modern research. The event was graced by esteemed guests, including CVMU President Er. Shri Bhikhubhai Patel and CVM Jt. Secretary Shri Mehul Patel.

The objectives of Research Week 2024 were closely aligned with the university's mission to foster creativity, innovation, and impactful research. The event is aimed to enhance scholars' understanding of scientific concepts and equip them with the skills needed to articulate their research effectively through poster and oral presentations. It also provided scholars with opportunities to be prepared for future professional engagements, including journal publications, conferences, and potential start-ups or patents.

The event featured seven sessions where 16 renowned experts provided invaluable feedback and shared their expertise, enhancing the academic and practical dimensions of the scholars' work. Faculty-wise participation included 62 posters from Engineering and Technology, 52 from Science, 29 from Arts, 8 from Commerce, Management, and Law, 17 from Education, and 4 from Pharmaceutical Sciences. Awards were presented to the best posters in each faculty, recognizing innovation and research excellence. These interactions fostered interdisciplinary collaboration, encouraged innovative thinking, and helped scholars refine their research methodologies, preparing them for milestones such as paper presentations, conferences, and patents.

## Celebrating Women’s Triumphs: CVMU Urja-Puraskaar Recognizes Inspirational Achievers

CVM University (CVMU) proudly hosted the prestigious **Urja Puraskaar Awards 2024** on March 11, 2024, at the GCET Auditorium, an event dedicated to recognizing the exceptional achievements of women who have made significant contributions across diverse fields. The awards not only celebrated their selfless efforts but also emphasized the role of women in building communities and society at large. ## The Constituent Colleges of CVM University under various Faculties

### Faculty of Engineering and Technology

The **Faculty of Engineering and Technology (FoET)** oversees three leading colleges at CVM University: GH Patel College of Engineering and Technology (**GCET**), A.D. Patel Institute of Technology (**ADIT**), and Madhuben and Bhanubhai Patel Institute of Technology (**MBIT**), each offering a unique approach to engineering and technical education. FoET consists of seven Boards of Studies: Chemical Engineering, Civil Engineering, Food Processing and Dairy Technology, Computer Engineering, Electrical Engineering, Electronics and Communication Engineering and Mechanical Engineering. With overall 45 different UG, PG, Diploma categories of Engineering programmes and additional PhD programmes, the FoET excels in delivering high-quality education through innovative teaching methodologies, cutting-edge infrastructure, and industry-driven curricula. With state-of-the-art laboratories, including the **AICTE-IDEA LAB Network**, research centers, and access to advanced software tools, students gain valuable hands-on experience in varied fields such as robotics, electronics, manufacturing, AI, food technology and renewable energy etc.

The CVMU's MoUs and collaborations with international universities and prestigious research entities like **ISRO** provide high-end internship opportunities, co-op programs, ideation for entrepreneurship, and live projects, ensuring real-world exposure and global solutions. With dedicated career support and an emphasis on sustainability, the **Faculty of Engineering and Technology** ensures its graduates are highly skilled and industry-ready.

#### G H Patel College of Engineering and Technology (GCET)

**Establishment:** G H Patel College of Engineering and Technology was established in the year 1996 with the donation by Shri Gordhanbhai Hathibhai Patel, an eminent philanthropist of Gujarat, and was inaugurated by Dr C L Patel on 25/11/1996.

**Vision:** To produce engineering graduates who are globally competitive, live by set of core values, are able to accept any professional challenge thrown at them, and remain responsive to the needs of India and the humanity.

**Mission:** To foster a stimulating learning environment, develop excellence amongst students, faculty and staff in every activity GCET carries out and thereby aim to become one of the best premier technical institutes of the country.

#### Accreditation Details (as per the record of 2023-24):

- All the seven Undergraduate Programs i.e., Chemical Engineering, Information Technology, Electronics & Communication Engineering, Mechatronics, Computer Engineering, Electrical Engineering and Civil Engineering are accredited by National Board of Accreditation (NBA) New Delhi from three years i.e. 01.07.2022 to 30.06.2025.
- G H Patel College of Engineering & Technology got an excellent 4 Star Rating and 3.7 CGPA score by the Gujarat State Institutional Rating Framework (GSIRF) for the year 2022-23.

### Best Practices:

#### Research and Development at GCET:

Research plays a pivotal role in shaping a student's academic journey at **GCET**, driving both intellectual growth and technological advancement. The institute is deeply committed to fostering innovation through its robust Research and Development (R&D) initiatives. GCET actively undertakes and supports cutting-edge scholarly research across a wide spectrum of science and technology fields. With a diverse portfolio of research interests, the institute integrates R&D into its academic programs across all departments, providing students with opportunities to engage in groundbreaking projects. This commitment to research not only enhances academic learning but also contributes significantly to the advancement of technology and industry.

### A D Patel Institute of Technology (ADIT)

**Establishment Details:** A. D. Patel Institute of Technology, (ADIT) was established in the year 2000 with the donation by Shri Mukeshbhai Arvindbhai. It is a self-financed degree engineering college on an area of 40 acres of land behind the industrial set-up of Vitthal Udyognagar.

**Vision:** To add significantly to our enduring civilization tradition of pioneering excellence in learning, knowledge, enlightenment, and self-realization, in a universally relevant context.

**Mission:** To dedicate the perpetuation of our founders, vision of providing the infrastructure, facilities, operating conditions and overall environments conducive to education of young scholars, along with the desired physical,

mental and character-building inputs; we firmly renew our commitment to provide value added, globally relevant education with an emphasis on the techno-management domain, to ensure that our scholars fruitfully exercise their knowledge, skills & values in the global economy.

**Accreditation Details (as per the record of 2023-24):**

- Four Undergraduate Programs viz. Electrical Engineering, Food Processing Technology, Information Technology and Mechanical Engineering of A. D. Patel Institute of Technology are re-accredited with -NA-grade with -NA- CGPA by NBA in the year 2022 with validity till 2025.
- The ADIT College is certified with -NA- grade with -NA- CGPA by ISO 9001:2015 in the year 2022 up till 2025.
- The ADIT College is awarded with 3 Star rating by Institution’s Innovation Council (IIC), MHRD Innovation Cell (MIC), Government of India in the year 2023.

**Programmes offered at ADIT:**

Programme Level	Sr. No.	Program Name
UG Bachelor Of Engineering / Bachelor of Technology	1	B.Tech. (Artificial Intelligence (AI) And Data Science)
	2	B. E. (Automobile Engineering)
	3	B. E. (Civil Engineering)
	4	B. E. (Computer Engineering)

	16	M. E. (Signal Processing & Communication)
	17	M. E. (Thermal Engineering)
Minor Degree	18	Automobile Engineering
	19	Food Technology

**Best Practices:**

**Experiential Learning and Role Reversal:** The primary objective of the institute is to transform students into productive citizens through an interactive and experiential learning process. Recognizing the potential impact of future professionals on socio-economic growth and employment creation, the institute has developed an innovative practice to immerse students in real-world enterprise environments. This approach not only enhances their academic experience but also prepares them to contribute effectively to the workforce and society.

**Innovation, Incubation and Entrepreneurship:** The institute has made significant strides in fostering innovation and entrepreneurship through initiatives such as the **SSIP**, **IIC**, and the **Entrepreneurship Cell**. These efforts are designed to mentor students in the areas of innovation and business development. The establishment of the AICTE sponsored **IDEA Lab** further strengthens the ecosystem by promoting the exchange of knowledge, ideas, and technology, empowering individuals of all ages. It supports a learning environment aligned with the latest industry

trends and market demands. Additionally, the institute has launched incubation activities, providing students with dedicated spaces and access to cutting-edge facilities, equipment, and software, encouraging them to transform their ideas into viable products and services.

### Madhuben and Bhanubhai Patel Institute of Technology (MBIT)

**Establishment:** Madhuben and Bhanubhai Patel Institute of Technology was established in the year 2009 with the donation given by Shri Prayasvinbhai B Patel on 18th July, 2009.

**Vision:** To become a benchmark technical institution where learning is a joy, education is for tomorrow, research and development is pace setting and everyone is committed to deliver competent human resources for prosperity and well-being of industry, profession and society.

**Mission:** To prepare a competent need-based human-resource and responsible citizens for the engineering profession through dissemination of knowledge and development of technical skills and create an environment that fosters the involvement for continuous improvement in performance and quality.

#### Programmes offered at MBIT:

Programme Level	Sr. No.	Program Name
UG	1	Computer Engineering
	2	Information Technology
Minor Degree	3	Electric Vehicles
	4	Internet of Things (IoT)
	5	Robotics

#### Best Practices:

##### Value-based Education through Co-curricular and Extra-curricular Activities:

At MBIT, our goal is to shape competent and responsible engineers who contribute positively to society, thereby fostering national development. We achieve this through a holistic, value-based education that encompasses not only professional skills but also essential life lessons. While teaching and learning remain our primary focus, we strongly believe in the importance of the overall development of our students. To this end, we actively support both co-curricular and extra-curricular activities, ensuring that our students receive a well-rounded education that prepares them for success in both their careers and personal lives.

##### Personalized Mentoring:

One of our key best practices is **Personalized Mentoring**, which includes regular and dedicated counseling, language improvement programs, and outcome-based education through innovative teaching and learning processes. We also offer employability bridge programs, instill moral and social values, and conduct regular meetings with stakeholders. To ensure continuous growth, we implement rigorous and ongoing student evaluations, follow the **NPTA policy**, and offer remedial classes. Additionally, the college actively participates in initiatives like the **Clean and Green Campus**, **Social Responsibility Projects**, and **Internal Quality Assurance**, demonstrating our commitment to holistic student development and institutional excellence.

## Faculty of Science & Faculty of Medical Science

The Faculty of Science (FoS) at CVM University leads four distinct colleges, i.e., N. V. Patel College of Pure and Applied Sciences (NVPAS), Institute of Science and Technology for Advanced Studies & Research (ISTAR), Ashok & Rita Patel Institute of Integrated Study & Research in Biotechnology and Allied Sciences (ARIBAS) and CL Patel Institute of Studies and Research in Renewable Energy (ISRRE). The Faculty of Science is entitled to guide six Board of Studies i.e., Computer Science, Mathematics, Interdisciplinary Studies, Physical Sciences, Biological Sciences, and Chemical Sciences.

The Faculty of Sciences stands out for its remarkable versatility and breadth, offering an unparalleled range of UG, PG, Diploma and PhD programs in scientific disciplines, making it one of the most diverse faculties in the state of Gujarat. Unlike any other institution, CVM University provides specialized courses in fields such as Food Science and Quality Control, Bioinformatics, CS&IT, Industrial Automation, Molecular Diagnostics, Remote Sensing and GIS, Industrial Chemistry, Surface Coating Technology, Environmental Science and Technology, Organic Chemistry, Instrumentation and Control, Geoinformatics, Valuation of Plant and Machinery, Valuation of Real Estate, Industrial Hygiene and Safety, Physics, Analytical Chemistry, Microbiology, Biotechnology, Genetics, Botany, Zoology, and Renewable Energy. This extensive range ensures that students have access to groundbreaking knowledge across various scientific domains, positioning CVM University as a leader in higher education in Gujarat.

### N V Patel College of Pure and Applied Sciences (NVPAS)

**Career Guidance and Counselling Cell (CGCC)**

The institute promotes career awareness and skills through various activities under the Career Guidance and Counselling Cell, including guest lectures, documentary reviews, mock interviews, resume writing workshops, interview techniques, SWOC analysis, grooming sessions, placement assistance, group discussions, and demonstration lessons. The institute regularly visits schools and invites school representatives for workshops, symposiums, and other events to provide real-world experiences. Students receive counselling through peer group meetings, peer leader sessions, and homeroom activities, which also help develop their language and communication skills. Additionally, the institute has signed MoUs with 20 practicing schools and 3 higher education institutions to exchange ideas and innovative practices. Career guidance and counselling have thus become a key strength of the institute.

**Language, Communication and Personality Development**

Language, communication, and personality are essential qualities for teachers. To address the needs of both teachers and schools, the institute has implemented Language, Communication, and Personality Development (LCPD) practices since its inception. Located in a semi-urban area where many residents are Gujarati, students often struggle with English, hindering their communication and personality development. To overcome this, the institute encourages public speaking through a constructive approach. The institute fosters these skills through various activities, including language games, assembly activities, panel discussions, MITRA (Monitored Initiated Teaching Towards Remediation), Peer Tutoring (PT), and literary activities such as debates, elocution, declamation, essay writing, and bridge courses.

**S S Patel College of Physical Education (SSPCPE)**

**Establishment Details:** CVM Nursing College was established in the year 2023 by Charutar Vidya Mandal.

**Accreditation Details:** CVM Nursing College is accredited by Gujarat Nursing Council

**Vision:** Prepare the students to be effective members of the global health care team to deal with complexities of health care with an audacious goal of upholding the standards of nursing

**Mission:**

- Foster a learning environment that nurtures critical thinking, compassion and cultural competence to provide exceptional nursing care across diverse communities and settings.
- Strive to cultivate leaders through innovative nursing education, hands on training, interdisciplinary collaboration and research, who will drive positive change in health care delivery and promote the well-being of diverse population.

**Programmes offered at CVMNC:**

Programme Level	Sr. No.	Program Name
UG	1	Bachelor of Science in Nursing
Diploma	2	General Nursing and Midwifery

**Best Practices:**

- Upon enrolment, each student is entrusted with the responsibility of planting and nurturing a seed throughout their academic journey. This hands-on initiative cultivates a strong sense of environmental stewardship, encouraging students to care for the plant until their final year, fostering a commitment to ecosystem preservation.

- We actively encourage students to engage in government-led initiatives, such as the Pulse Polio Campaign, growth and development surveys, and other community welfare activities. These programs provide valuable real-world experience while fostering a deep connection to society and contributing to its betterment.

## Research Engagement at CVMU 2023-24

Research engagement at a university is a transformative force that propels both knowledge discovery and the academic experience, infusing fresh vitality into scholarly inquiry. It goes beyond mere teaching, ensuring that the knowledge shared with students is profound, impactful, and far from superficial. At CVM University, the University Research Committee (URC) plays a pivotal role in cultivating a dynamic, research-driven environment. The URC is dedicated to advancing research across several key areas:

- **Research Projects:** Inspiring faculty and students to lead and execute innovative, boundary-pushing projects.
- **Research Publications:** Facilitating the publication of exceptional research in respected journals and renowned platforms.
- **Book Publications:** Championing the creation and dissemination of authoritative academic texts.
- **Paper/Poster Presentations:** Encouraging active participation in conferences, showcasing cutting-edge research to global audiences.
- **Research-Based Consultancy Services:** Offering expert guidance and strategic solutions that bridge the gap between academia and industry.

These initiatives ensure that both students and faculty acquire profound, expansive knowledge, cultivating a culture of academic excellence, intellectual growth, and lifelong learning.

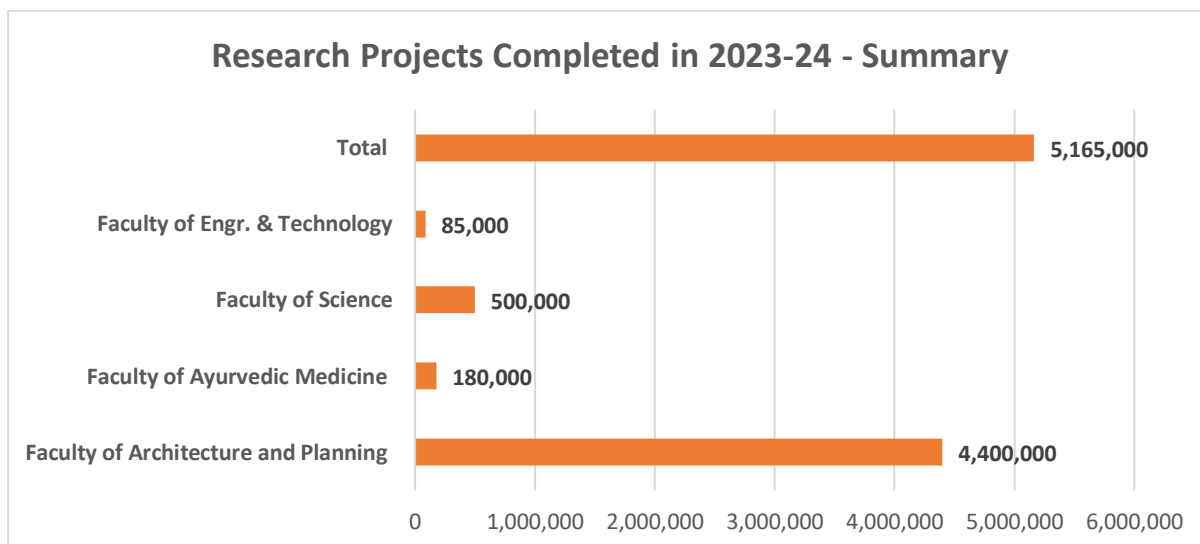

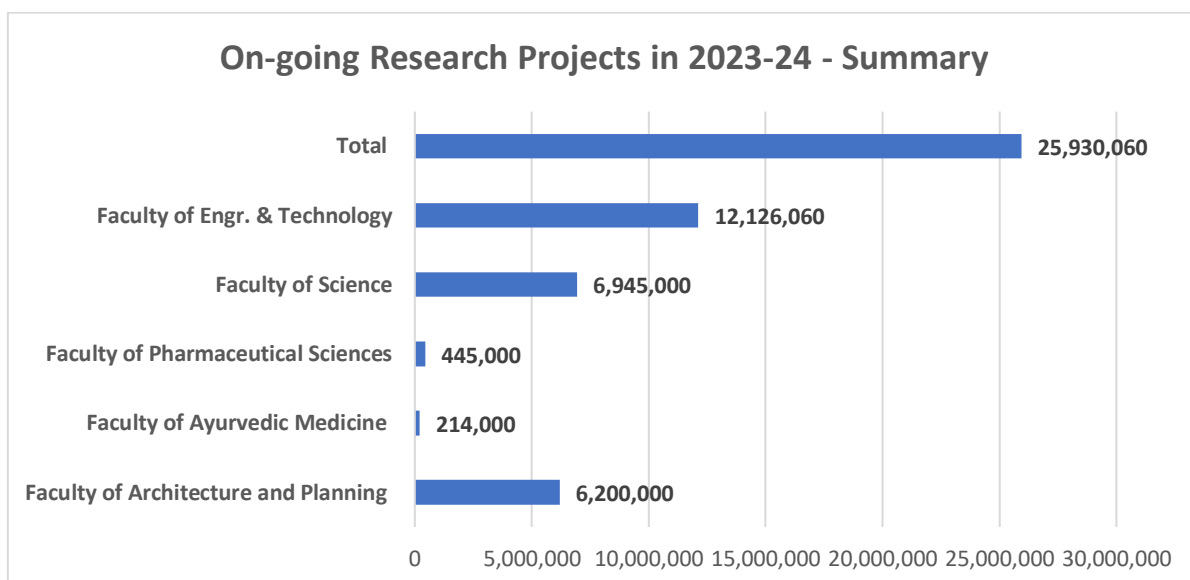

### Status of Major Research Projects 2023-24

Encouraging major research projects at a university fosters a culture of innovation and intellectual growth. For students, it offers hands-on learning opportunities and exposure to cutting-edge discoveries. Research projects benefit faculty by enhancing their expertise and keeping them at the forefront of their fields. They foster continuous learning, inspire new teaching methods, and promote intellectual growth. These projects benefit society by addressing real-world challenges, driving technological advancements, and contributing to economic and social progress.

For the academic year 2023-24, CVM University is actively engaged in 31 ongoing research projects, valued at **Rs. 2,59,30,060.00** across various faculties out of which 22 projects worth around **Rs. 38,43,060.00** are funded by the CVM University. The university takes immense pride in the successful completion of numerous impactful research projects, with seven major projects, valued at **Rs. 51,65,000.00**, successfully concluded in 2023-24. These completed projects stand as a testament to our commitment to advancing knowledge and addressing significant challenges across diverse fields.

Moreover, twenty-six project proposals, covering a broad spectrum of disciplines and totalling **Rs. 2,16,59,000.00** have been submitted to various funding agencies, including the R&D Cell of the CVM

University for review and further processing. This reflects our unwavering dedication to innovation and academic growth. Of particular note, the Faculty of Engineering has submitted a groundbreaking research proposal, "**Precoding Matrix Design for LDPC Codec in Satellite Communication**," to the Indian Space Research Organization (ISRO) for **Rs. 28,52,000.00** marking a significant leap in expanding the frontiers of knowledge in satellite communication.

## CVM University Innovation and Start-up Centre (CVMUISC) and Entrepreneurship Cell 2023-24

The CVM University Innovation and Startup Centre (CVMUISC) is dedicated to fostering innovation and entrepreneurship among students and the local community. The center offers a range of impactful activities, including:

- **Startup Incubation:** Providing essential resources, mentorship, and support to help new startups transform ideas into viable businesses.
- **Workshops and Training:** Organizing sessions on business development, marketing, funding, and technology to equip participants with vital entrepreneurial skills.
- **Networking Events:** Facilitating connections between entrepreneurs, investors, and industry experts to encourage collaboration.
- **Pitch Competitions:** Hosting opportunities for startups to present ideas to a panel for valuable feedback and potential funding.
- **Research and Development Support:** Assisting students and faculty in turning research into commercial products or services.
- **Access to Funding:** Helping startups connect with investors and navigate grants and funding opportunities.
- **Community Engagement:** Involving the local community in innovation through initiatives like hackathons and community challenges.
- **Alumni Support:** Connecting alumni who have launched their own ventures with current students for mentorship and collaboration.

CVMUISC empowers the next generation of innovators, providing them with the tools, connections, and support needed to succeed.

INNOVATION AND  
STARTUP CENTRE  
(CVMUISC)**

In the academic year 2023-2024, the **Entrepreneurship Cell at CVM University** is fully committed to advancing government schemes that align with the university's mission to foster startups and innovation. Key initiatives include:

- Establishing a **Section 8 company** and an **Incubation Centre** to support entrepreneurial growth.
- Registering with the **MeitY Startup Hub (MSH)** portal for the **GEN-Next Support for Innovative Startups (GENESIS) Scheme**.
- Gaining recognition as a **Host Institute (HI)** for the **MSME Innovation Scheme** under the Government of India, with Reference No. HIBIGJ004584.

These efforts reflect CVM University's strong commitment to nurturing the next generation of innovators and entrepreneurs. The current status of the activities is outlined below:

1	MooRopan India Pvt. Ltd.	U62091GJ2023PTC141132
2	Testomatic	GJ03A0004632

**MooRopan India Pvt. Ltd.** is a pioneering company specializing in advanced cattle healthcare solutions. At the forefront of innovation, MooRopan offers **MastiSense™**, a cutting-edge cow-side device designed to detect bovine mastitis earlier than conventional methods. With its user-friendly interface and an associated Android app, MastiSense enables farmers to monitor the susceptibility of cows to mastitis, ensuring more effective herd management and better overall health. In addition, MooRopan provides a

range of products, including ethno-veterinary formulations for treating bovine mastitis, AI-based estrus detection for heat period monitoring, silage/fermented cow feed cultures, and a milk quality analysis device. These innovative solutions are transforming cattle care, promoting healthier herds, and enhancing farm productivity.

**Testomatic** is a versatile food testing equipment designed for a wide range of food products, including spices, cereals, dairy, beverages, and more. It performs physical, chemical, microscopic, and microbial analyses, covering tests such as color value, texture profile, bulk density, pH, acidity, TDS, adulterant detection, and colony counting. Additionally, it supports product development, psychometric testing, and gaseous analysis. With predefined control parameters, Testomatic automates test execution, providing accurate results and graphical analysis, ensuring food quality, safety, and regulatory compliance.

### Major Activities Post-Grant under SSIP 2.0 for 2023-2024

1. **Anand Startup Summit 2023:** Held on 8th September 2023 at Madhubhan Resort, Anand, this summit provided a platform for networking, learning, funding, and collaboration. The event featured 5 expert speaker sessions and 7 startup pitches.
2. **Startup Conclave 2023:** From 6th-10th December 2023, the CVM University showcased startups **MooRopan** and **Testomatic** at the Gujarat Government's Startup Conclave, a precursor to the Vibrant Gujarat Global Summit (VGGS), fostering idea exchange and product display.
3. **NESCO WOE 2023:** At the World of Education Expo, Mumbai (15-17 December 2023), CVM University's stall engaged over 1000 school students and parents with interactive exhibits in various zones.
4. **Gyanotsav 2024:** 32 innovative projects were presented by CVMUISC, with over 50,000 visitors, including school and college students, exploring advanced prototypes and concepts.
5. **Makerfest 2024:** At Makerfest, organised by the Faculty of Engineering and Technology, MS University, Vadodara (3-4 February 2024), **Solar Powered Wheelchair** secured 2nd place in Physiotherapy, and **MooRopan** won 2nd place in Agriculture.
6. **SSIP Boot Camp 2024:** Held on 15th February 2024 at NVPAS, students from NVPAS, ARIBAS, and ISTAR participated in business model canvassing, with 68 active attendees from over 100 registrations.
7. **CVMU Project Exhibition 2024:** The final round on 23rd February 2024 held at GCET showcased 26 selected projects, with the top 3 awarded prizes and certificates after an initial hybrid screening.
8. **CVMU Hackathon 2024:** Organized on 4-5 March 2024 at ADIT, the hackathon featured 5 categories, with 280 students from 30+ colleges and 40+ schools, promoting innovation across various science disciplines.
9. **CVMU Best Business Idea Competition 2024:** SEMCOM, a CVM University constituent college, hosted the Best Business Idea Contest on March 15, 2024, where 13 teams from CVMU and other universities presented innovative ideas. The event emphasized the importance of pitching business plans effectively to attract investors and customers.
10. **Expert Talks by Entrepreneurship Cell:** Dr. Yashavant Patel, Dean of Entrepreneurship, CVM University, delivered key talks on innovation and startups across CVMU's colleges in 2023-24:

- *Revolutionising the Future: A Talk on Innovation and Startups* at ARIBAS (29.11.2023)
- *Inspiring Young Minds for Innovation* at SEMCOM (08.12.2023)
- *Process of Innovation Development and Technology Readiness Level* at GCET (22.02.2024)
- *Harnessing Innovation for Growth in the Indian Economy* at R N Patel Ipcowala School of Law and Justice (24.02.2024)

**11. Summary on AICTE – IDEA Labs of GCET and ADIT:** Both ADIT and GCET AICTE IDEA LABS have successfully completed their projects and will soon submit closure reports to AICTE. With grants of ₹1.1 crore and ₹1.14 crore respectively, these labs have gained nationwide recognition for their activities and awareness programs. Over 250 programs were organized in the academic years 2022-23 and 2023-24, including workshops for school teachers, industry professionals, students, and faculty, as well as skill development programs and prototype development for competitions. We appreciate the dedication of all participants, mentors, and organizers, and look forward to future collaborations and initiatives.

## OTHER GRANTS AND CONSULTANCY

The following details showcases the transformative impact of its grants and consultancy services at the CVM University for the academic year 2023-24. These initiatives have led to significant outcomes, including successful workshops, faculty development programs, academic advancements, symposiums or any other simulation and extension-based activities. The university’s consultancy services provide innovative, practical solutions to societal challenges. These achievements underscore CVMU’s commitment to driving positive change. We extend our heartfelt gratitude to our partners, donors, and dedicated staff for their invaluable contributions. Moving forward, the university remains resolute in its mission to empower communities, foster progress, and build a brighter, more sustainable future for all.

### Grants Received during the Academic Year 2023-24

Throughout the year, various funding agencies, organizations and CVMU provided vital financial support to numerous co-scholastic activities (apart from Research Projects) of its constituent colleges. A total of **Rs. 9,75,733 /-** has been received as Grants in the year 2023-24.

#### Grants Received by the Constituent Colleges of University for during the Academic Year 2023-24

Sr. No.	College	Name of the Teacher/s (Or) Recipient	Name of the Funding Agencies / Individuals / Corporate body	Month & Year	Purpose	Funds/Grants Received (In Rupees)
1	GCET	Dr Smita Joshi	Government of Gujarat	2023	Indian Patent- A Project on Kedar Conical Solar Still	78,814
2	GCET	GCET	SSIP CVMUISC	23-02-2024	CVMU Project Exhibition 2024	1,09,589
3	GCET	Dr. Maulika Patel	SSIP CVMUISC	16-02-2024	One-day Seminar on "Technology and Sustainable Ecosystem for Women"	10,000

4	ADIT	ADIT & MBIT	SSIP CVMUISC	04-03-2024 & 05-03-2024	CVMU Hackathon 2.0	2,55,214
5	MBIT	NSS Program Officer and Principal, MBIT	State Government	AY 2023-24	Social activities	15,000
6	MBIT	Sunit Parmar and Student Shiv Padhiyar	SSIP CVMUISC	2023	Proof of Concept Prototype Model	10,000
7	NVPAS	NVPAS, ISTAR, ARIBAS	SSIP CVMUISC	15-02-2024	SSIP Boot Camp 2024	15,300
8	IICP	Dr. Dimal A. Shah Dr. Usmangani K. Chhalotiya	Gujarat State Pharmacy Council	22-07-2023 & 23-07-2023	Two days online refresher course for registered pharmacists	13,400
9	IICP	Ms. Jinal N. Tandel Mrs. Hetaben M. Kachhiya	Gujarat State Pharmacy Council	27-01-2024 & 28-01-2024	Two days online refresher course for registered pharmacists	12,400
10	IICP	Dr. Ankita Bhavsar Ms. Swati K. Kurtkoti	Gujarat State Pharmacy Council	06-03-2024 – 07-03-2024	GSPC sponsored online refresher course for registered pharmacist	13,400
11	IICP	Dr. Dimal A. Shah Dr. Usmangani K. Chhalotiya Mrs. Hetaben M. Kachhiya	Shri B. V. Patel Education Trust, Ahmedabad	02-04-2024 & 03-04-2024	Two days hands on training workshop on “Chromatographic method development”	33,358
12	IICP	Dr. Ashok Mahajan Dr. Nazneen Surti Dr. Ankita Bhavsar	Shri B. V. Patel Education Trust, Ahmedabad	04-04-2024 & 05-04-2024	Advanced Particle Engineering: Mastering Spray Drying and Spheronization	36,553
13	SEMCOM	SEMCOM	SSIP CVMUISC CVMU	15-03-2024	Best Business Idea Competition (BBIC)	1,49,125
15	ILSASS	NSS Program Officer and Principal, ILSASS	NSS Unit Grant, State Government, Gujarat	AY 2023-24	To conduct NSS related activities for the entire year	33,570
16	ILSASS	Student Council – ILSASS	Chalo America Visa Consultancy, Anand & Loan Destination, Anand	16-02-2024	Sponsorship to organise Encuesta 7.0 - State level Mega Quizzing Carnival	1,50,000
17	CCFA	CCFA	Sahitya Akademi, Gandhinagar	12-02-2024	National Seminar on Interrelationship between Literature and Visual Arts	50,000

### Consultancy Services provided by various Constituent Colleges in 2023-24

Providing consultancy services at universities bridges the gap between academia and industry, offering practical solutions to real-world challenges. It enhances faculty expertise, fosters innovation, and supports businesses in strategic development. Consultancy services also provide students with valuable insights into industry practices, creating opportunities for applied learning and professional growth. the university has secured **Rs. 13,21,350/-** through consultancy services provided by its constituent colleges, further demonstrating its impactful contributions to the broader community.

#### College-wise Consultancy Services during the Academic Year 2023-24

## Research Publications (From June 2023 to May 2024)

Research publications and Presentations in universities are crucial for advancing knowledge and fostering academic growth. They contribute to the global research community by disseminating innovative ideas and findings. The CVM University is dedicated to cultivating a philosophy of systematic inquiry, innovation, and the dissemination of knowledge across diverse academic and intellectual communities. Central to this mission is empowering our teaching faculty to engage in rigorous, scientifically grounded research, with a focus on contributing to prestigious and globally recognized academic journals.

This compilation showcases the outstanding research publications originating from the University's dynamic academic environment. These works stand as a testament to our steadfast commitment to pushing the boundaries of knowledge and making impactful contributions to the global scholarly community.

## Expert Talks or Invited Expertise by the Faculty Members

The CVM University is committed to fostering dynamic collaborations and knowledge exchange among its faculty and academic institutions. Our educators actively contribute to the academic community as resource persons, moderators, and keynote speakers at prestigious events, including Expert Talks, Conferences, FDPs, Workshops, and Symposiums. This dedication to knowledge-sharing not only enhances educational partnerships but also strengthens CVMU's role in advancing academic excellence and innovation across institutions.

**NCC / NSS / Other Extension Activities Organized at CVMU**

The aim of education must be multifaceted development of personality. Education is what enables us to value not only our fellow human beings but also the other living and non-living creatures existing in our surrounding environment. The activities carried out under NSS helps the youth become noble and accountable citizens of the nation whereas NCC trains and encourages the youth to join the armed forces and, thereby devote their lives to the security of the nation. Participation in the extension activities inspires the youth to be concerned about the social welfare and cultivates in the youth sense of belonging towards the nation.

The constituent institutes of the CVM University organized 251 activities comprising of NSS, NCC and other social services in the academic year 2023-24.

## Industrial Visits

Industrial visits provide university students with practical exposure to real-world applications of their academic knowledge. They bridge the gap between theory and practice, enhance learning, and offer insights into industry trends, operations, and technologies. Such visits help students develop critical thinking, problem-solving skills, and foster industry connections for future careers. The constituent colleges of the CVM University organized around 186 industrial visits in the academic year 2023-24.

## Seminars, Conferences, Workshops, Webinars, FDPs, Cultural Events etc. Organized in 2023-24

Organizing seminars, workshops, conferences, webinars, and cultural events in colleges enhances student learning by exposing them to diverse ideas and perspectives. These activities promote critical thinking, creativity, and skill development beyond academics. They also foster a sense of community and teamwork among students. Additionally, they help build professional networks and prepare students for future career opportunities. CVM University, with its core value of Student-Centric Learning, primarily motivates colleges to offer enriching learning experiences through numerous events. The details of the events organised in 2023-24 is as follows:

### Number of Events Conducted in 2023-24 – College wise Details

## MoUs and Collaborations

Memorandum of Understandings and Industrial Collaborations play a crucial role in the development of Academia by formalizing partnerships with stakeholders, such as government bodies, other academic institutions, or industry leaders. It ensures clarity in objectives, resource sharing, and collaboration. The MoUs foster innovation, enhance academic quality, attract funding, and create opportunities for research and student development, driving the university's growth and reputation. For the year 2023-24, the CVM University collaborated with various prestigious organizations at National and International level, by signing 31 MoUs.

## **Students Achievements in Co-curricular Activities**

Students' accomplishments in co-curricular activities serve as powerful indicators of their multifaceted growth, demonstrating skills that extend far beyond the classroom. These activities span a broad spectrum, including Paper Presentations, Model Presentations, Tech and Literary Festivals, National Level NCC Representations, and more. By engaging in these pursuits, students not only cultivate creativity and critical thinking but also sharpen their communication, teamwork, and leadership abilities. Moreover, these experiences open doors to valuable networking opportunities and career advancement, helping students craft a diverse and impactful profile. Below are some of the remarkable achievements in co-curricular activities that showcase the exceptional talents and potential of our students.

## Government and CVMU Scholarships

### Government Scholarships:

The Government of India offers a variety of scholarship schemes aimed at enhancing educational opportunities and promoting self-reliance among students. These schemes, which target different student groups, have been instrumental in supporting education at various levels. Here's a breakdown of the listed schemes:

1. **Mukhyamantri Yuva Swavalamban Yojana (MYSY):** This scheme is designed to provide financial assistance to students pursuing higher education, helping them meet expenses related to tuition fees, books, and other academic needs.
2. **Mukhyamantri Yuva Swavalamban Yojana (MYSY - Food):** This variant of MYSY focuses on providing support to students for their food-related expenses, ensuring they have the necessary sustenance for their academic journey.
3. **Mukhyamantri Yuva Swavalamban Yojana (MYSY – Books):** This scheme assists students in purchasing books and study materials, which are crucial for their academic success.
4. **Hon. Chief Minister Scholarship Scheme (CMSS):** Aimed at meritorious students, the CMSS provides financial aid to those in need, ensuring that lack of resources does not hinder their educational progress.
5. **Educational Assistance for NTDNT Students Studying in Self-Financed Colleges (NTDNT):** This initiative targets students from the Nomadic Tribes, Denotified Tribes, and other backward communities, providing them with financial support to pursue education in self-financed institutions.
6. **Minority Scholarship:** This scholarship caters specifically to students from minority communities, helping them pursue their education without financial barriers.
7. **J&K PMSSS (Prime Minister's Special Scholarship Scheme):** Designed to assist students from Jammu and Kashmir, this scholarship provides financial support for pursuing higher education in recognized institutions across India.

### Financial Assistance for 2023-24 Academic Year:

For the academic year 2023-24, the Government of India has sanctioned a total of **₹15,50,53,000.00** for the educational development of **3109 students**. This scholarship funding covers a range of educational expenses, enabling students to focus on their studies and achieve academic success.

These schemes collectively aim to foster an environment where students from diverse backgrounds—be it in terms of community, financial status, or region—are given equal opportunities to pursue higher education.

**CVM University Scholarships:**

For the academic year 2023-24, CCM University has allocated ₹95,14,185 to provide support to 781 students through these scholarships and freeships. This funding is intended to alleviate the financial burden on students and allow them to concentrate on their studies, pursue their academic goals, and develop their potential.

- Smt. Saraswatiben Manubhai Patel & Smt. Vijyaben V. Patel Scholarship
- Sh. Aurbindo Mataji Scholarship
- CVM University Scholarship,
- CVM University Study Tour
- Freeship from CVMU

These initiatives highlight the university's commitment to ensuring that students from all backgrounds, particularly those from economically weaker sections, have equal access to quality education and opportunities for academic success.

## Placement Details:

Placement drives across the constituent colleges of CVMU play a vital role in bridging the gap between academic learning and industry demands. They offer students valuable opportunities to engage directly with potential employers, leading to internships and job offers. These drives not only enhance career prospects but also allow students to apply their skills in real-world settings. Furthermore, they strengthen the university's reputation by demonstrating its commitment to producing industry-ready graduates. Below is a detailed overview of the placement activities organized by CVMU Colleges for the academic year 2023-24:
