VISION:-

To make education the most powerful instrument of social, economic and cultural transformation and to augment the quality of human capital of the society."

MISSION: -

"Empower the students with knowledge and wisdom, and enrich with lifelong learning skills."

GOAL: -

"To provide students with an environment for the holistic development of their mental, physical, aesthetic, social, and spiritual potentials, together with the attitudes of integrity, hard work, honesty, fairness, empathy and tolerance, so that they give their best."

OBJECTIVES: -

Excellence to be achieved through the following objectives: -

1. To create a seamless convergence of theoretical learning and practical implementation.
2. To offer courses and subjects in alignment with expectations of the industry and society, thus ushering towards employability.
3. To establish unique identity in the educational world by providing applied aspects of arts and social sciences.
4. To tap, nurture and unleash the innovative entrepreneurial abilities of students and scholars, and thereby ensure lifelong socio-economic value addition.
5. To create and nourish a stimulating learning environment.
6. To forge and reward excellence in the curricular as well as co-curricular activities.
7. To develop traits that leads to sustainable career growth.
8. To institutionalize quality in all aspects of teaching and learning.
